

Special Offer on Frontline and Heartgard

Through August 31

Being a new clinic, we overestimated the parasite protection we needed for the year, have excess product on hand and we considered returning it. However, just this month the manufacturer launched a promotional program so we decided to add our own promotion to help move some of the product – and give our customers a great bargain!

Manufacturer's Promotion:

This promotion is in response to the discovery of counterfeit medications being sold.

Buy any multi-pack of Frontline or Heartgard and you get a chance to “Scratch To Win” – If your scratch card indicates you are a winner, **your purchase is free.**

If your card is not a “winner”, you will still receive their **Buy 6 get 1 FREE** offer on Frontline products. For Heartgard purchases you will receive a **\$5 mail-in rebate** offer.

There is **no expiration date on Frontline**, so now is a perfect time to stock up for this year and next!!

Our Promotion:

IN ADDITION to the manufacturer's promotion, we are offering our clients **25% off** any of our Frontline and Heartgard products. Please note, our regular prices are already competitive with the online pharmacies and we will mail your product to you if desired.

Free Shipping for this promotion, so you will not find a better deal anywhere. Be assured we only promote products we guarantee and believe in.

To place your order or if you have any questions, call us at **360-863-1005**.

THIS SPECIAL OFFER IS ONLY GOOD UNTIL AUGUST 31ST, 2010

*THANK YOU to all of you for your continuing support!
Your referrals are always appreciated!*
